# DeLorean *One*

## Family living at its best.

The DeLorean One is a cleverly designed family home with plenty of space for every member of the family and easily accommodates changing life stages.

This design encourages families to come together in the central open living which really is the heart of the home. The galley-style kitchen with large island bench is perfectly positioned with views out to the optional alfresco. Plus, the light-filled dining/living space is conveniently accessed straight from the double garage.

The private front positioned master suite boasts a large walk-in robe and ensuite, ideally separated from the additional three Bedrooms located at the rear of the home.

In addition to the four bedrooms, the DeLorean One boasts a theatre and a separate activities plus family bathroom with bath and separate W/C.

# DeLorean *One Executive*

## Transform everyday rituals into treasured experiences.

The DeLorean One Executive is a perfectly sculpted and flawlessly balanced home in tune with the desires and specific needs of modern families.

Showcasing innovative architecture at its best, this design acknowledges and responds to the way that families use their homes throughout the day and over the years ahead. Beautifully crafted to offer a private oasis for guests and children alike, the designs enrich daily experiences thanks to the inclusion of generous living zones, cleverly positioned study nooks plus separate, tranquil, resort-inspired spaces for parents.

The DeLorean One Executive undoubtedly acknowledges the needs of every member of the family, no matter what they may be. Further refined by the entertainer's dream indoor/outdoor living hub, the DeLorean celebrates the relationship between the home and your surrounding landscape and captures the essence of luxurious, timeless and practical modern living.

# DeLorean *Three*

## Position yourself in your perfect home.

The DeLorean Three has everything that the DeLorean One has with the change in positioning of the theatre to be at the very front of the home. This allows for you to use this space as an ideal home office or studio – offering privacy from the rest of the home.

The master suite maintains its privacy, being separated from the additional three bedrooms at the rear of the home.

This incredible family friendly design offers a wonderful central family hub with alfresco (optional), filling the home with plenty of light, accessible from both the dining and activities.

You will love your life in this highly functional design.
