Castalla

Supreme street appeal and a layout that simply makes sense.

You'll enjoy running your hands over the kitchen island bench that's never been used, being the first to fall asleep watching a movie in the theatre, and embracing all the simple pleasures in the Castalla.

When it comes to turning in for the night, you and your family will have four bedrooms to retire to, including your master suite complete with ensuite and walk-in robe, while entertaining is taken care of towards the rear of the design in the open-plan layout.

No matter which of the three flawless facades you choose, you'll want to make the Castalla yours.
