FIND YOURSELF AT HOME

Saxonvale.

Striking design, stylish comfort.

Stylish architectural design and perfectly balanced zones combine to create a stylish backdrop to contemporary family living in this stunning home – a testament to everything you’ve worked so hard to achieve. You’ll fall in love with the space it offers and the clever way it brings together all the elements of a two-level home demanded by a large, modern family.

The heart of the home is without a doubt the designer gourmet kitchen. Featuring a spacious walk-in pantry, expansive island bench and plenty of storage, it is the centrepiece of the open family and dining area.

Both the dining and family spaces open to the alfresco cabana, bringing the outside in, surpassing your expectations and setting the scene for many memorable get-togethers with family and friends.

To the front of the home is a comfortable living room and home office with easy access to an additional powder room.

Upstairs is the accommodation zone featuring a sumptuous parents’ retreat. Here, you can relax and unwind in this resort-style space, with its his-and-hers walk in robes and spa-inspired ensuite complementing the spacious sleeping quarters of this incredible sanctuary.

The straight forward but cleverly designed use of space on the upper level of this beautiful family home ensures the four additional bedrooms and large children’s activity sit comfortably and allow for free-flowing living. A large family bathroom and separate powder room satisfy the needs of every member of your growing family.
